Bachelor's of Engineering
Jain college of engineering, Belgaum
📅 2022 - 2026 📍 Belgaum,India

Class 12th
KLE's RLPU college of science, Belgaum
📅 2020 - 2022 📍 Belgaum, India

PROJECTS

Wanderlust

Designed and Developed a web application similar to Airbnb for vacation rentals and lodging.
Frontend is developed using EJS, CSS, JavaScript, and Backend is developed using NodeJs + Express and MongoDB
Proper hashing is used to store the passwords of the users.

Simon game

In this project, I have created a classic Simon game using HTML,CSS,and JavaScript. The game is all about testing your memory and pattern recognition skill.

To do List

This website is designed and developed so that people can store their tasks in a structured way.
Technologies - HTML,CSS, Javascript, Bootstrap
